DISCLOSURE

The owner of the life insurance policy to be viaticated, the viator, should be aware of the following:

1. That there are possible alternatives to viatical/life settlement contracts including any accelerated benefits or policy loans offered under the viator's life insurance policy.
2. That some or all of the proceeds of the viatical/life settlement may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor.
3. That viatical/life settlement proceeds could be subject to the claims of creditors.
4. That receipt of viatical/life settlement proceeds may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies.
5. That all viatical/life settlement contracts entered into in North Dakota must contain an unconditional rescission provision which allows the viator to rescind the contract within thirty (30) days from the date of the contract or fifteen (15) days after the viator receives the viatical settlement proceeds, whichever is earlier. If the insured dies during the rescission period, the contract shall be deemed to have been rescinded, subject to repayment of all viatical/life settlement proceeds and any premiums, loans, and loan interest to the viatical/life settlement provider or purchaser.
6. That funds will be sent to viator within three (3) business days after the viatical/life settlement provider has received the insurer or group administrator's acknowledgment that ownership of the policy or interest in the certificate has been transferred and that the beneficiary has been designated.
7. That entering into a viatical/life settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator and that assistance should be sought from a financial advisor.
8. That all medical, financial, or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity, medical, and financial information or the identity of family members, a spouse, or significant other, may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase.

9. That the insured may be contacted by either the viatical settlement provider or broker or its authorized representative for the purpose of determining the insured's health status. This contact is limited to once every three (3) months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less.

I have received a brochure describing the process of viatical/life settlements prepared by the National Association of Insurance Commissioners and provided to me as part of this settlement disclosure.
